

Experience Communication in High Definition

LifeSize® Express 200™

LifeSize® Express 200™ is the first video communications system to support dual display video and content, in high definition, at an affordable price point.

High Definition Video – Now More Accessible Than Ever

LifeSize does it again – extending the capabilities of the award-winning LifeSize® Express™ system, LifeSize® Express 200™ is a feature-packed, True HD video communications system that allows even more flexibility than ever before.

Ideal for small working groups, teams or individual knowledge workers who want to take communication over distance to the next level. With LifeSize Express 200, you not only get True HD video quality - 720p30 – for natural, realistic interactions at 1Mbps, but also crisp, crystal clear data-sharing, at 1280x768. Supporting dual high definition displays and multiple camera and microphone options, LifeSize Express 200 offers the ultimate flexibility to suit any environment.

In today’s fast-moving, global economy, project teams, partners and colleagues are distributed around the world. But the telephone and email are not enough. Frequent face to face meetings and meaningful dialog are vital for success, but travel is expensive and time consuming.

LifeSize Express 200 brings people together by allowing them to interact successfully across distances. Seeing facial expressions, body language and gestures makes you feel truly connected and understood.

High definition quality. Simplicity. Meaningful team connections. LifeSize Express is clearly how video communications is meant to be.
