## Terrain Map

### Driving Directions from Dubai, Sharjah, Ajman

You have a choice to take either the E11 highway (Sheikh Zayed Road) or the E311 (Emirates Road) and follow directions to Abu Dhabi city. Once you cross Maqta Bridge in Abu Dhabi the road branches into two, you can take the Airport Road (Street 2 – also known as Shiekh Rashid Bin Saeed Al Maktoum Street) if you are on the fast lane or the Salaam Street (Street 8 – also known as East Coast Ring) if you are on the slow lane.

If you happen to take the Airport Road then turn right when you hit Hamdan Street (Street 5). Once on Hamdan Street take a left at the signal when you hit Najda Street (Street 6) and then the first right in. This is Inner Street 11; the 4th building on your left is Alaska, OfficePlus is on the mezzanine floor (Suite M4).

If you have taken Salaam Street then turn left when you hit Hamdan Street (Street 5). Once on Hamdan Street take the first right in and at the T junction turn left. This is Inner Street 11. After driving about 250 metres you should see Al Fardan Jewellery Building on your left and Alaska Building on your right. We are located on the mezzanine floor (Suite M4) of Alaska building.
